

Renowned explorer Will Steger shares his polar experiences and highlights climate change impacts and solutions.

Will Steger “Eyewitness to Climate Change”

April 14th
6:30 pm

Schaible Auditorium

“What I have witnessed in the Arctic over 45 years, and more importantly in the past ten years is alarming. However, I am optimistic about the solutions. Alaska has a wealth of potential clean energy solutions and is positioned to lead the nation in the transition to a clean energy economy.”
